GULP! CRAZY MILK'S TURNING INTO A FURRY PINK HIPPO.

On the back of every small Crazy Milk pack you'll find a really crazy offer.

Four of the wildest cuddliest arm puppets.

All just waiting to be snapped up.

As well as a loveable hippo, there is a crawly caterpillar, a greedy emu and a very creepy crocodile.

Just collect 5 puppet tokens from any 200ml. cartons of Crazy Milk.

The free token on this page will get you started.

Send them all off with £2.95 to Crazy Milk (see pack for details), and we'll send you whichever crazy creature you want.

It's even fun collecting the tokens.

'Cos it means you get to slurp down lots of lovely Crazy Milk in Banana, Chocolate, Strawberry and Raspberry flavours.

Tell your mum she can buy Crazy Milk from her Unigate Milkman or from her local supermarket.

Who knows, if you're really lucky you could end up with a whole zoo of crazy creatures on your hands!

Dear Sir,
One day I went to a farm with my mum and dad. First of all we went to see the mare and foal. Then we went to see the calves. One of the calves curled its tongue round me and sucked me. I think he thought I was a milk bottle.

Kirstie Jackson, Whittlesey.

Dear Editor,
I have only just noticed that the artist who draws Tom and Jerry always misses out the belly buttons. Please could you ask him to draw them in next time?

From Kevin Gani, Gloucester.

Consider it done, Kevin!

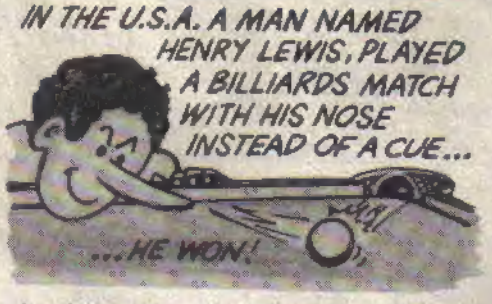
Simon Durrane, Norfolk.



An interesting fact from **Lee David Martin, who lives in Derbyshire.**

My little brother, Daanish is only two years old. He was blowing his toy trumpet. It made a terrible noise so my mother said, "Please stop blowing that trumpet." My brother became very angry so he threw it at our swing chair. One of the pieces fell off. He blew his trumpet again. My mother told him to please, please stop. He threw it again. Another piece fell off. When he calmed down he began to cry because his trumpet was in three pieces!

Love from Nazura Zaki, Glasgow.
